

Varsfontein Dominates

SALE PRICES • 2014 NATIONAL 2YO SALE 13-15 August 2014

A top-five studfarm in 2014, with a bunch of Gr1 winners and two Equus awards for the manager – how good can it get? Plenty good, apparently. At the National 2yo Sale Varsfontein sold the top-priced colt and bought the top-priced filly, both millionaires.

Form Bloodstock went to R2.6 million to secure a Western Winter half brother to six winners (from six previous foals), including Gr1 placed filly Felix The Cat and one of last season's leading 2yo colts, the Gr1 placed ML Jet (MR 114). The youngster, set to be trained by Dean Kannemeyer, is the very last (untried) progeny of Western Winter to come under the hammer, highlighting the serious loss the stallion is to South Africa's breeding ranks.

Much earlier in the sale Varsfontein, no stranger to buying yearling fillies with strong pedigrees, secured a Dynasty filly from Cheveley stud for R1.4 million. Her dam, an imported daughter of Royal Academy, has eight winners from as many runners. They include champion 3yo Rabiya, Gr2 winner Secret Of Victoria (dam of champion filly All Is Secret), and three other stakes winners. The grandam is half sister to Michael Roberts' ridden English 2000 Guineas winner Mystiko.

The big sires performed mostly as expected, and there was good interest in last year's freshmen and new ones, notably Mambo In Seattle, Ideal World, Elusive Fort, Querari, and Noordhoek Flyer

The R2.6m top price was a new National 2yo sale record, both the top prices exceeding last year's one of R1m (for a Silvano colt). Jackson (1m in 2010, by Dynasty) and Sky Blaster (1.050m in 2005, by Jet Master) were the only other times a 2yo at this annual event reached six figures. Yet the sale as whole fell somewhat short of expectations, based on what happened at yearling sales earlier in the year. With 395 yearlings changing hands, the median price of R50k was down from R60k last year. Colts dropped from 80k to 60k, fillies from 50k to 40k. Admittedly, the catalogue was considerably larger than in previous years, but a comparison with a similar catalogue (in 2009) gave no reason for cheer. That year's median price was 55k overall (vs 50k this time round), with colts at 60k (same as this year) and fillies 55k (40k this year).
