To Whom It May Concern

We would like to take this opportunity to inform all owners and parties concerned, that as of 20th April 2023, all Jockeys throughout South Africa will implement a 2% increase on stakes. Thus changing from 10% a winner to 12% and 7% a place to 9% respectively.

As of this date no jockeys will be available to race at previous fees. They will however be freely available to be declared at the new fee structure provided. This percentage increase is directly charged to owners and we ask that it be captured accordingly from date provided moving forward.

Kindest Regard
