GOLD CIRCLE
HORSERACING AND BETTING

PLEASE NOTE

Fillies & Mares allowances in
A/B/C/D & Middle Stakes races
2.5kg : 1000-1250m
3.0kg : 1400-1600m
3.5kg : 1700m+

Notwithstanding anything contained hereunder, any horse more than 1,5kg "under sufferance" in ANY race, will not be exempt from elimination under any circumstance.

7.4 Race meetings at Hollywoodbets Greyville and Hollywoodbets Scottsville

Where the number of declarations for a race exceeds the number allowed to start in a race, the excess number shall be eliminated on the following basis and in the following sequence:-

7.4.1 Failure to declare an intention to accept with a horse

If there is a need to eliminate in a race and there is a horse in the race for which a Trainer has failed to declare his intention to accept, then that horse shall be the first to be eliminated (no refund of fees). If however, there are more horses for which Trainers have failed to declare their intention to accept than require to be eliminated, then barrier draw, in terms of Conditions 7.1.2.1 or 7.1.2.2 shall be used to determine which horses/s shall be eliminated.

7.1.2.1 In races down a straight, from the lowest barrier draw upwards.

7.1.2.2 In races around a turn, from the highest barrier draw downwards.

7.4.2 Dual entries

If a Trainer has entered a horse in more than one race and he fails to declare his intention to accept with the horse, then, after applying Condition 7.4.1, where applicable, the horse shall be eliminated from the race that attracted the most number of declarations. In the event of both races having attracted the same number of declarations, the decision as to which race the horse shall run in shall be decided by barrier draw in the same way as detailed in Condition 7.1.2.1 or 7.1.2.2.

7.4.3 Handicap Races

7.4.3.1 Horses that have been allowed into a race below 52kg shall be eliminated upwards to 52kg, thereafter, horses that have been allowed into the race above the benchmark rating, these horses shall be eliminated downwards to **two** nett merit rating points above the nett benchmark rating and then eliminations shall be from the lowest nett merit rating upwards.

7.4.4 Plate Races other than Maiden, Maiden Juvenile and Juvenile Plates

7.4.4.1 Maiden horses, where applicable, from the lowest **gross** merit rating upwards.

7.4.4.2 From the lowest **gross** merit rating upwards.

7.4.5 Maiden Plates and Maiden Juvenile Plates

7.4.5.1 Maiden Juveniles will be the first category of horses to be eliminated in maiden races, except in the months of May, June and July. Thereafter, the elimination procedure is as follows:

7.4.5.2 In the case of Open Maidens, unrated horses by barrier draw.

7.4.5.3 In the case of Restricted Maidens, Horses that have finished second, third or fourth in their last start, shall remain in the race, thereafter, unrated horses by barrier draw.

7.4.5.4 Horses that have finished second, third, fourth or fifth in either of their last two starts, shall remain in the race provided that if there are more horses in this category than there are places remaining in the field then the provisions of Conditions 7.4.5.7.1 and 7.4.5.7.3 respectively, shall apply

- 7.4.5.5 Horses which have not yet raced, shall remain in the race provided that if there are more horses in this category than places remaining in the field then the provisions of Condition 7.4.5.7.3 shall apply
- 7.4.5.6 Horses with two or less runs, shall remain in the race provided that if there are more horses in this category than places remaining in the field then the provisions of Condition 7.4.5.7.1 and 7.4.5.7.3 respectively, shall apply
- 7.4.5.7 Horses that have had more than two starts, and not finished second to fifth in their last start, shall remain in the race provided that if there are more horses in this category than places remaining in the field then the provisions of Condition 7.4.5.7.2 & 7.4.5.7.3, shall apply
 - 7.4.5.7.1 Worst finishing position in last start,
 - 7.4.5.7.2 Lowest Merit Rating
 - 7.4.5.7.3 Barrier Draws as defined in Condition 7.1.2
- 7.4.5.8 Where a Trainer has more than one horse declared for a Maiden race and has one (or more) due to be eliminated but has another runner declared eligible to run, he shall be entitled to declare his preferred runner providing such declaration is made by the closing of declarations. A horse that has finished second, third, fourth or fifth in its last start and has been declared a runner may NOT be eliminated in preference to one that is due to be eliminated.

7.4.6 Juvenile Plates
