## STUD ANALYSIS

First season at stud in South Africa in 2012

## PEDIGREE

Harry Hall is kinbred 3x3 to Nureyev and 3-part sister Number.

The kin-breeding of his sire Pivotal, through his Significant Ancestor Careless Kate, kin-links to the bottom-line of Harry Hall. Careless Kate is kin to Merry Dancer, her dam Merry Devon and the next dam Devon Lass.

Careless Kate is close kin to Fancy Free in Pivotal. Fancy Free is dam of Blue Peter and others.

**SUITABLE LINES** for Harry Hall could include descendants of Fancy Free (and kin-linked lines to her). This points to Model Man, whose dam is inbred to Blue Peter, and whose sire Elliador is out of a full sister to Busted - sire (in Pivotal's grandam) of Stufida, who is kinbred through Careless Kate. Model Man (and Elliador) are well represented in the SA mare population.

Blue Peter is also present in Dominion Royale (doubled through Princely Gift from his sire and bottom female line of his dam), Divine Force (from Princely Gift), Lateral (from In The Wings whose dam has a double Blue Peter), Right Approach (grandam has Princely Gift), Tara's Halls (bottom female line has Princely Gift). London News is out of influential broodmare Soho Secret, whose 4<sup>th</sup> dam is by Blue Peter and is closely kinbred through Fancy Free. Field Master, who appears in Captain Al's female line as broodmare sire, has Fancy Free as his third dam.

Careless Kate is also kin to Dalmayr, the Significant female line Ancestor of Nureyev, Sadler's Wells, Fairy King (and others), which makes these suitable lines.

Careless Kate is half sister to the mare Fuchsia who was at stud in South Africa (dam of Salvia, Arctic Flower, etc.)
